TODAY'S SONG

My Bonnie Lies Over the Ocean

Oh give me a home, where the buffalo roam,
Where the deer and the antelope play;
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.
Home, home on the range,
Where the deer and the antelope play;
Where seldom is heard a discouraging word,
and the skies are not cloudy all day.

ROTARY RECENTLY

POLITICAL PRIMER

McGlowan discussed a range of current events, including the state of political workings in Washington especially in light of the recent surprising election results from Massachusetts. Shown with McGlowan is Rotary Club of Tupelo President Jim Diffie.

ROTARY NEWS

Rotarians focus on Haiti relief

From www.rotary.org

Rotary clubs and districts worldwide are mobilizing resources to deliver urgently needed relief to the millions affected by Haiti's devastating earthquake.

District 7020, which includes Haiti, has flown in 55 planes filled with more than 50,000 pounds of medical equipment and supplies into the cities of Pignon and Port-de-Paix to bypass logistical problems in

the hard-hit capital of Port-au-Prince. The United Nations estimates that more than half of the buildings in the capital have collapsed. About 200,000 people are dead and millions more homeless.

“Rotary had an incredible infrastructure established before the quake, which has made our relief efforts very effective,” says Dick McCombe, past district governor and Haiti liaison chair.
