**Do your part and introduce someone to Rotary today!**

**TODAY'S SONG**

## He's Got the Whole World in His Hands

He's got you and me brother, in His hands,  
He's got you and me sister, in His hands,  
He's got you and me brother, in His hands,  
He's got the whole world in His hands.

**ROTARY RECENTLY**

## THE NEW BALL COACH

The Rotary Club of Tupelo welcomed John Cohen, left, new head baseball coach Mississippi State University, at last week's meeting. Cohen spoke about his goals for the team, how vital fan support is, how fan support was different in Kentucky, and how Ron Polk is still his friend. Cohen also answered several questions from club members. Shown above with Cohen is this quarter's program chair, Rick Faucette.

**WORTH REPEATING**

*"People take different roads seeking fulfillment and happiness. Just because they're not on your road doesn't mean they've gotten lost."*  
**H. JACKSON BROWN, JR.**

**TODAY'S PROGRAM**

## Bill Jamieson

*Mississippi Department of Transportation*

Bill Jamieson is the District Engineer for the Mississippi Department of Transportation, District 1. He has held this position since 2006, when he was promoted from District Maintenance Engineer.

He began his career in 1975 with the Mississippi Highway Department in Jackson in the Roadway Design Division. He transferred to the Tupelo Project Office in August 1979. In July

1980, he moved into the District Office and worked for the District Construction Engineer. In 1992 he was promoted to the Assistant District Maintenance Engineer and held that position through June 2005, when he was promoted to District Maintenance Engineer.

He is married to the former Kathie Berry of Benton, Miss. They have two children and three grandchildren, all of Tupelo.

**ROTARY NEWS**

## RI President D.K. Lee: Let's Make Dreams Real

This year, we have set ourselves an ambitious goal: to Make Dreams Real for the world's children by reducing child mortality. I believe we can achieve this goal, if we focus our efforts and work together. But I also know that at the end of this year, there will be a great deal left for us to do to bring health and hope to all of the world's children.

If we are to reduce child mortality, in this Rotary year and for many years to come, we need to have Rotarians to do it. Every project we do in water, health and hunger, and literacy helps create a

better world. Every project helps change the world, a little bit at a time. And every project needs caring and capable Rotarians.

Each new Rotarian we bring into our clubs helps to Make Dreams Real. That is why, this year, I am asking Rotarians everywhere to meet bold membership goals: first, to increase membership by 10 percent and, second, to create two new clubs per district.

Like the goal of reducing child mortality, these are ambitious goals that we can achieve – if we set our minds to them.

*Continued Next Week*

**NOTES & EVENTS**

**Want RotaryView early by e-mail?:** e-mail Jason to add your name to the e-mail list, and get your copy before the meeting.

**Programs update:** Our club will not meet on Monday, September 15 for the CREATE Teachers of Distinction program. This year's program is being hosted by the Kiwanis Club, so we will hold a joint meeting with the Kiwanis on Friday, Sept. 19.
