TODAY'S SONG

Jingle Bells

Dashing through the snow, in a one-horse open sleigh,
O'er the fields we go, Laughing all the way;
Bells on bob-tail ring, Making spirits bright,
What fun it is to ride and sing A sleighing song tonight!
Jingle bells! Jingle bells! Jingle all the way!
Oh, what fun it is to ride in a one-horse open sleigh!

ROTARY RECENTLY

HEALTH REVIEW

Tupelo Rotarians recently heard from Dr. Edward Hill, right, a fellow Rotarian who serves as the Chair of Council of the World Medical Association, a position to which he was elected in May 2007. He discussed the work of the organization during the meeting. Shown with Hill is Rotary Club of Tupelo President Jim Diffie.

WORTH REPEATING

"If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with success unexpected in common hours."

TODAY'S PROGRAM

Phil Bryant

Lieutenant Governor, State of Mississippi

BRYANT

Phil Bryant is Mississippi's Lieutenant Governor, a position he's served in since 2008. He started his career in public service as a Hinds County Deputy Sheriff and was elected to the Mississippi House of Representatives from District 59 in Rankin County in 1992 and re-elected in 1995. Bryant was appointed State Auditor by the late Governor Kirk Fordice and re-elected overwhelmingly in 1999 and without opposition in 2003.

As Lt. Governor, Bryant proposed webcasting of the Senate proceedings so taxpayers could

see their government in action and hold elected officials accountable. He also led the fight to pass ethics reform, which among other things, requires all elected officials to file their ethics reports online.

During his term as State Auditor he recovered more than \$12 million in taxpayers' dollars that were embezzled or improperly spent.

ROTARY FOUNDATION MONTH: GROUP STUDY EXCHANGE

The Group Study Exchange (GSE) program of The Rotary Foundation is a unique cultural and vocational exchange opportunity for young business and professional men and women between the ages of 25 and 40 and in the early years of their professional lives. The program provides travel grants for teams to exchange visits between paired areas in different countries. For four to six weeks, team members experience the host country's

institutions and ways of life, observe their own vocations as practiced abroad, develop personal and professional relationships, and exchange ideas. For each team member, The Rotary Foundation provides the most economical round-trip air ticket between the home and host countries. Local Rotarians in the host area provide for meals, lodging, and group travel within their district.
